128	BRS	0	electronic and brak\$3 and force and distribution and control and valve and ABS and hadraulic and (master near3 cylinder) and pressure and cylinder
129	BRS	317	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder
130	BRS	276	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder and line
131	BRS	192	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder and line and (cross near\$3 dual)
132	BRS	255	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder and line and ((cross near\$3 dual) near\$3 circuit)
133	BRS	249	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder and line and ((cross near\$3 dual) near\$3 circuit) and ((front-rear near\$3 dual) near\$3 circuit)
134	BRS	249	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder and line and ((cross near\$3 dual) near\$3 circuit) and ((front-rear near\$3 dual) near\$3 circuit) and (front near\$3 wheels) and (rear near\$3 wheels)
135	BRS	230	electronic and brak\$3 and force and distribution and control and valve and (ABS or anti-skid) and hydraulic and (master near3 cylinder) and pressure and cylinder and line and ((cross near\$3 dual) near\$3 circuit) and ((front-rear near\$3 dual) near\$3 circuit) and (front near\$3 wheels) and (rear near\$3 wheels) and sensor
